Rehabilitation of blind persons

2157. SHRI CHATURANAN MIS-HRA: Will the Minister of WELFARE be pleased t_0 state:

(a) what lis the population of blind persons in the country; and

(b) what measures are being ta ken by Government for their reha bilitation?

THE MINISTER OF STATE OF THE MINISTRY OF WELFARE (DR. RAJENDRA KUMARI BAJPAI): (a) According to th_e National Sample Survey conducted in 1981 there were 34.74 lakhs visually handicapped persons in the country.

(b) A statement is laid on the Table of the Sabha.

Statement

The primary responsibility for the welfare and upliftment of the handicapped including the blind falls on the State Governments. Nevertheless the Centre has been assisting the State Governments as well as the Voluntary Organisations in programmes designed for rehabilitation of tl^e handicapped, including the blind. All efforts are being made by the Union Government to provide the infrastructure for the betterment of this sectiion of the society.

All programmes for the handicapped are designed to cover all categories of handicapped and blind are also covered under majority of these programmes. A National Institute for the Visually Handicapped at Dehra-dun is responsible exclusively for programmes for the visually handicapped which include training, research, development of model services for such persons development and production of low-cost aids, vocational training and placement services etc.
